As you know, Andrew College is a small residential, two-year college related to The United Methodist Church. Its mission is to provide an academically challenging liberal arts curriculum within a nurturing community. In keeping with its Christian heritage, Andrew College provides an environment which prepares students for further study at a senior college and enables them to understand themselves as persons of responsibility and potential within the global community.

Because it is a private college, Andrew relies on the support of people and churches interested in the success of its ministry.

If you wish to donate to Andrew College, please make your check to Cuthbert United Methodist Church and put "Andrew College" on the memo/for line.

*Blessings,
Pastor Martin Loyley*
