Dear Friends,

If you have been blessed by your Mother's love, you are indeed special. There are many who did not experience that unconditional love, and for them there is a hunger within their souls that can only be quenched by finding another source of unconditional, sacrificial love and regrettably finding love in all the wrong places.

For all of us, there is a love that transcends even the greatest mother's love and that is God's love revealed through Christ Jesus. This love is not fickle as human love often is, but is everlasting. Whether our relationship with our mother was happy or sad, embrace God's sacrificial love, a love that casts out all our fears of the future.

Blessings,

Pastor Martin
